There are several Disaster Recovery Centers operating throughout the storm-damaged region. To find a center close to you, go online to: [DRC Locator](#). No appointment is necessary to get assistance.

It is not necessary to visit a center to apply. Create an application online at disasterassistance.gov, use the [FEMA mobile app](#) for smartphones or call the FEMA Helpline at 800-621-3362 anytime between 6 a.m. and midnight Central Time seven days a week. Help is available in most languages. If you use a relay service, such as video relay (VRS), captioned telephone or other service, give FEMA the number for that service.
